Good morning/afternoon/evening sir/madam. My name is (NAME OF FIELD INTERVIEWER). I work with the African Population and Health Research Center (APHRC) which carries out research on Health, Urbanization, Well being and Education. This time round, we are conducting our survey in Korogocho and Viwandani. We would like to collect schooling data for children aged between 12 and 19 years. We would also like to collect data on parental/Guardian participation on their child(ren) schooling. The results of this research will be made public and disseminated in the community and at national level involving the Ministry of Education (MoE) and other stakeholders in order to inform policy process. It is important to share the results with the government since it is the one through the MoE that formulates and implements educational policies. The responses you give will be held with utmost confidentiality and will only be available to members of the research team. Your responses will not cause any disadvantage to you. If you accept to participate in this research, you will be doing so professionally and voluntarily and there will not be any monetary returns. You are also free to refuse to respond to questions you do not feel comfortable answering. This interview will take about 30 minutes
