INTRODUCTION AND CONSENT

Hello, my name is _____ and I work with the African Population and Health Research Centre.

As you may be aware, we visit households in this community every four months to collect information on health and other related issues so that we can understand the health and well-being of members of this community. Specifically, we would like to know a bit about the hygiene and sanitation practices in the household including the nature of amenities facilities and waste management practices in your household.

All the responses you provide are confidential and will only be used for the purposes of this study.

The results from this study are purely for research and will not be used for any other purpose without your consent.

This interview is not expected to cause you any harm and if you feel uncomfortable with certain questions you can choose not to answer . However, we hope that you will participate in this survey since your views are important.

This interview will take about 30 minutes of your time.

1.7 Do you accept to participate in the study?	[1=YES; 2=NO; IF NO END INTERVIEW]	<input type="text"/> <input type="text"/>
